Name:	SID:

Sense and Sensibility and Science Quiz n

Letters and Sciences 22

Month Day, Year

Instructions

- Use a **dark** pen or pencil, and write **inside** the answer boxes provided.

- You will have three hours to complete the exam, but you do not need to take the whole time.

- Write your name and SID **clearly** at the top of **every** page, inside the boxes provided.

- No collaboration allowed, no electronic devices.

- Raise your hand if you have any clarifying questions. If the course staff decides to answer them then they will use the projector to share the answer with the whole class. If an answer is not put on the projector, then the course staff cannot answer that question.

- If you need to leave and use the restroom, first turn in your phone to the course staff at the front of the room. They will keep it safe in your absence.

- For multiple choice questions (the ones with circles), make sure you fill the circle in **completely**.

- If you answered with pen but need to change your answer, your updated answer must be marked **extremely clearly** to get credit.

- **WAIT UNTIL THE START OF THE EXAM TO TURN TO THE NEXT PAGE.**

1 True or False Question

For each of the following, select whether the statement is true or false.

1. Could it be?
